EXECUTIVE SUMMARY

Registration and Licensing Unit is a unit under RICA that registers products, premises and carriers and licenses business operators that comply with minimum requirements basing on laws and regulations in force. It also monitors the use of issued official documents – licenses and certificates.

According to Law N° 36/2012 of 21/09/2012 relating to competition and consumer protection in its articles 11 - 10 limiting the production of goods or services for market to the prejudice of consumers, 46 - criteria for evaluation of delivery of goods and services to consumers, 47 - goods safety and 48 - product quality standards;

And according to the Law N° 31/2017 of 25/07/2017 establishing Rwanda Inspectorate, Competition and Consumer Protection Authority (RICA) and determining its mission, organization and functioning especially in its article 6;

This is a monthly report prepared to publish registered products, premises and carriers and licensed business operators. The list displayed in this register includes 425 seed producers, 1 seed conditioner, 430 agrochemical dealers, 1 manufacturing industry, 5 Cultivators of cannabis, 31 products, 22 milk collection centers, 4 abattoirs, 150 butcheries, 7 farms for export, 473 agrochemical premises, 267 Traders of used electrical and electronic equipment, 49 carriers, 3 operators of slaughtering services, 1 garage operator and 1 garage premise.

The register shows that the total business operators whose licenses are still valid are 9.35% for females, 38.11% males and 52.54% various entities.

Licensed Business Operators

The list of published business operators comprises of 425 seed producers, 430 Agrochemical dealers, 1 manufacturer, 1 seed conditioner, 267 traders of used electrical and electronic equipment, 05 cultivators of cannabis, 3 operators of slaughtering service and 1 garage operator. Business operators that were licensed prior establishment and approval of the RICA Unique Numbering System (UNS) do not have registration numbers.

Registered Premises

This section lists registered premises with valid registration certificates. The validities of these certificates differ depending on the type of the premise and those with no registration numbers and phone numbers were registered prior setting them as requirements to be recorded and before establishment and approval of RICA Unique Numbering System.

| SN | Name of Business Operator | Phone Number | Registration Number | District | Type of Premise | Expiration Date | Validity |
